

Utiel-Requena D.O.

TORO LOCO WHITE 2023

GRAPE VARIETIES

95% Viura, 5% Sauvignon Blanc

VINEYARDS

Located at an elevation ranging from 600 to 900 meters above sea level, this region boasts a unique combination of factors that contribute to the creation of exceptional wines. The Mediterranean breezes coupled with the varying altitudes and wide diurnal temperature range, create an idyllic setting for vine growth. Warm days and cool nights produce a slow ripening of our grapes, good aroma concentration and complete polyphenols maturation.

VINIFICATION

Harvest at the coolest hours in the morning and grapes selection. Fermentation at low temperature in stainless steel vats to keep the fruit aroma unspoiled.

TASTING NOTES

Fresh with citrus, green apple and floral notes. Crisp and delicate with balance between fruit and acidity.

FOOD PAIRING

TORO LOCO Blanco is the ideal companion for seafood or fish. This white wine will also go well with a vegetarian dish.
